

Product Change Notification

PCN No.	Quectel_PCN_2020050802	Date of Issue (DD/MM/YYYY)	08/05/2020
1. General Information			
Type of Change	PCB Second Source Licensing		
Description of Change	Victory Giant Technology is licensed to be PCB second source for Quectel EC25&EC21&EG25-G&EG21-G series Mini PCIe modules, supplying PCBs for Quectel together with Gultech.		
Reason of Change	Due to a high demand for Mini PCIe PCB and the continuous growth and expansion of our business, the current PCB supply for Quectel EC25&EC21&EG25-G&EG21-G series Mini PCIe modules by Gultech cannot meet the ordering demand. Therefore, Victory Giant Technology is licensed to be second source of PCBs.

Shipment Date:

Shipment of Alternative Products will start from 05/06/2020 (DD/MM/YYYY) if no statement is received.

Sample Verification:

Samples can be requested before the “Shipment Date”, and the verification shall be completed within one month after the receipt of samples. If no sample demand is received before the “Shipment Date”, then Quectel may accept that this change has been tacitly accepted.

3. Impacts of the Change

<p>Risk Assessment</p>	<ol style="list-style-type: none"> 1. The ordering codes (OC) remain unchanged. 2. Victory Giant Technology PCBs have been used in mass production of other Quectel modules for a long time. Hence, customers can feel secured to use the modules with Victory Giant Technology PCBs.
<p>Suggested Implementation Plan</p>	<p>Through strict and sufficient tests, Quectel confirms that the modules manufactured by Victory Giant Technology PCBs fully meet the quality and performance requirements, and are completely compatible with the modules that manufactured by Gultech PCBs. Customers can feel secured to use the Alternative Products.</p>

4. Customer Acknowledgement of Receipt

Please acknowledge receipt of this change notification by replying to info_PCN@quectel.com.
If no feedback is received before the “Shipment Date”, then Quectel may accept that this change has been tacitly accepted and can implement the change as indicated above.
