Description of change:	<p>Due to EOL of the memory in the used BGS5 module, Gemalto M2M GmbH has introduced a new memory to the module.</p> <p>This new memory is mechanically and electrically compatible to the current memory, it has no impact on existing approvals and module specifications, the ordering number for the terminal remains unchanged.</p> <p>The new FW, which fits this HW, is Rev 01.100; ARN 00.001.36, and is not compatible with older hardware versions.</p>
Scheduled date of introduction (cw/year):	From cw26 onwards delivery from warehouse Leipzig.
Timing note:	If Gemalto M2M GmbH does not receive a notification to the contrary within a period of 6 weeks, Gemalto M2M GmbH assumes that the customer agrees to the change.

Quality assurance measurements:	The new version fulfills all internal test requirements according to our Quality Management process and philosophy.
