Description of change:	<p>This is an update for PCN00571 regarding ALS3 and AHS3-W Note that some products – indicated with “NEW” - were added to the list.</p> <p>Gemalto investigations have shown that worldwide boom in logistics is apparently also impacting the quality of deliveries. Resulting in findings with some of our products that were damaged on their way to the customer.</p> <p>To reduce the risk of module damages during shipping/ handling Gemalto wants to change the before intermediate action for ALS3 and AHS3 into a permanent change.</p> <p>Hence Gemalto reduces the number of modules per reel from 500pcs. to 400pcs.</p> <p>Given this change the minimum order quantity of said products changes from 1.000 pcs. to 800 pcs. Customers are kindly asked to adjust order volumes to this granularity.</p> <p>As most of the mentioned have already been migrated to 400pcs./ reel this is PCN is an update regarding the NEW ones.</p> <p>The below mentioned date of introduction is the date by when all above products will have been changed the latest to 400pcs./ reel.</p>
-------------------------------	--

Scheduled date of introduction (cw/year):	CW10/2019
Timing note:	If Gemalto M2M GmbH does not receive a notification to the contrary within a period of 6 weeks, Gemalto M2M GmbH assumes that the customer agrees to the change.

Quality assurance measurements:	The new version fulfills all internal test requirements according to our Quality Management process and philosophy.
