**Reason of Change:**

- |                                                         |                                                                          |
|---------------------------------------------------------|--------------------------------------------------------------------------|
| <input type="checkbox"/> Technical requirement          | <input type="checkbox"/> Change of production process/logistical changes |
| <input type="checkbox"/> Customer requirement           | <input type="checkbox"/> Location of production moved                    |
| <input checked="" type="checkbox"/> Quality improvement | <input type="checkbox"/> Other:                                          |

<b>Description of change:</b>	<p>Triggered by some findings with similar products that have been damaged due to rough handling on their way to the customer Gemalto wants to introduce preventive action for PLS8 for an intermediate time.</p> <p>To secure quality of shipments and making sure that modules will not be damaged during shipping and making sure modules will arrive in good shape, Gemalto will reduce the number of modules per reel from 500pcs. to 400pcs. for some shipments.</p> <p>This change will impact the packaging process only, ie. the modules themselves will NOT change.</p> <p>Gemalto has the target to get back to ship 500pcs. as soon as possible but need to perform some investigations and tests to so.</p>
<b>Scheduled date of introduction (cw/year):</b>	CW23/2018
<b>Timing note:</b>	If Gemalto M2M GmbH does not receive a notification to the contrary within a period of 6 weeks, Gemalto M2M GmbH assumes that the customer agrees to the change.

<b>Quality assurance measurements:</b>	This temporary preventive action fulfills internal test requirements according to our Quality Management process and philosophy.
