| <b>Product</b>  | <b>Ordering Code</b>                       |                                   |
| ELS31-V R2  | L30960N4500-A200                           |                                   |
| ELS31-V R2 Eval   | L30960N4501-A200                           |                                   |
| Ordering No. changes: <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No |  |                                   |
| New Ordering Code:  |  |                                   |

**Reason of Change:**

- |   |  |
|---|--|
| <input checked="" type="checkbox"/> Technical requirement | <input type="checkbox"/> Change of production process/logistical changes |
| <input type="checkbox"/> Customer requirement             | <input type="checkbox"/> Location of production moved                    |
| <input type="checkbox"/> Quality improvement              | <input type="checkbox"/> Other:  |

|  |   |
|--|---|
| <b>Description of change:</b>                    | <p>In order to secure supply chain and to increase shipping flexibility Gemalto GmbH will introduce a second source for pcb.</p> <p>The firmware and ordering code remains same and existing approvals are not affected by this change.</p> <p>It is secured that each reel will contain one pcb source only. The supply with a dedicated pcb cannot be guaranteed.</p> |
| <b>Scheduled date of introduction (cw/year):</b> | The change will be effective with shipments from cw10 onwards   |
| <b>Timing note:</b>                              | <p>If Gemalto M2M GmbH does not receive a notification to the contrary within a period of 6 weeks.</p> <p>Gemalto M2M GmbH assumes that the customer agrees to the change.</p>  |

|  |  |
|--|--|
| <b>Quality assurance measurements:</b> | The new version fulfils all internal test requirements according to our Quality Management process and philosophy. |
